

Rutter's Remedy Hemp Relief Shampoo is a unique, superior quality veterinarian developed certified organic based, all natural, non-toxic, & eco-friendly pet shampoo/body wash. It is extraordinarily mild, foaming, & hypoallergenic. This gentle formula was designed to help alleviate your pet's acute or chronic muscle & joint aches. It is free of petroleum, GMOs, sulfates, harsh chemicals, dyes, perfumes, & detergents. It contains a natural insect guard to protect from irritating, pesky insects such as mosquitoes & flies. It hydrates, & moisturizes pets normal to dry skin & hair coat while offering a soothing, non-irritating, natural solution which improves & alleviates skin irritations, dry, itchy, scaly skin, poor hair quality, lack of moisture, & shine. Great for animals with stress or anxiety who don't like baths or water, it creates a calming effect, reduces anxiety, while relieving musculoskeletal soreness, lameness, & joint discomfort. The constituents of the mixture are absorbed through the skin & interact with receptors in the body & tissues of the animal. This produces therapeutic relief & anti-inflammatory effects, without undesirable psychotropic side effects.

Can be used on dogs, cats, horses, rabbits, ferrets, llamas, pigs, cows, goats, sheep, & any animal that may have lameness or musculoskeletal soreness.

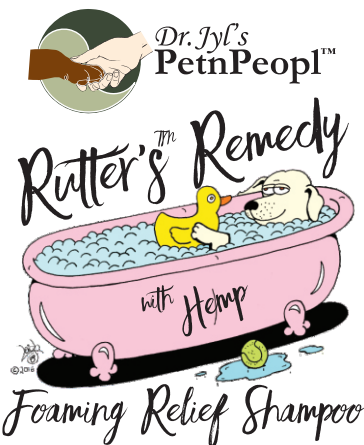

Ingredients Are Natural, 100% Biodegradable, & Extra Gentle, Gluten Free, Non-GMO, Vegan, Cruelty Free/Animal, & People Friendly.

Produces soothing therapeutic relief from swelling, & other adverse musculoskeletal discomfort as well as joint condition's associated with daily activities.

Not intended to treat, cure or prevent any disease
Not for human consumption.
